Sponsorship Request

Dear Sir/Madam,

"Congratulations! It is with great pleasure that we inform you of your acceptance and admission to _____ University as a member of the Class of 2023."

For a high school Senior, there is no better letter to receive in the mail than one that begins like this. To that end, the South Suburban Chicago Chapter of Jack and Jill of America, Incorporated, is excited to present our 2019 Fundraiser. This year's theme, "School Days-Investing in Tomorrow's Leaders. Our Mission. Our Purpose. Our Future." will support the post-secondary educational endeavors of our youth and provide quality programming to the community.

Last year, we donated a total of \$10,000 to several well deserving students who are attending various colleges throughout the country. This year, we feel confident that we can exceed last year's goals! As the oldest and largest African American family organization in the United States, Jack and Jill of America, Incorporated remains committed to its goal of providing educational, cultural, civic, recreational and service programs for all children. Today, the organization has 230 chapters nationwide, representing more than 40,000 family members.

In support of these national goals, the South Suburban Chicago Chapter has and continues to play a major role in our community. Since our chapter's inception in 1976, South Suburban Chicago Chapter has:

- Raised over \$400,000 to distribute to local community services and organizations, scholarships for college to deserving students, scholarships for students to attend our college tours and to our National Jack and Jill Foundation;
- Contributed over 1,000 books to our community non-profit partner and supported the construction of their reading room;
- Donated much needed clothing and toys during the holidays to local community partners;
- Contributed over 1,000 volunteer hours in support of numerous community service efforts;
- Executed quality programming for the community focused on stopping the violence, health awareness, and bullying.

Your participation will assist in furthering our chapter's efforts, and it will provide an opportunity for you to promote your product or service to over 200 event attendees, many of whom are leaders in their respective careers and in the community at large.

We thank you in advance for your willingness to support the efforts of the South Suburban Chicago Chapter of Jack and Jill of America, Incorporated.

Should you have any questions, feel free to reach out to the Event Chairs.
